Minutes prepared by: I-Wei Feng

Meeting convened to order: 6:35pm, moved by I-Wei and seconded by Jen.

• Approve April Minutes: Katrina moves to approve, Terra seconds the motion.
• Community Stories
  ○ Jim Henson Con (I-Wei) - really well attended by families with young children, around 200 people attended. Should do more of this type of outreach for an underrepresented demographic (families with young children). Perhaps have a presence at events with MoPop during the Jim Henson Exhibition.
  ○ Gauntlet @ Mox Boarding House (Terra) - raised money for Treehouse. Amazing to be a part of and good show of fundraising. This is the 4th year of the Gauntlet, and participation is by invitation only. Great example of nerds doing good things. Interesting model for fundraising, as an event that’s engaging for the geeky community that builds relationships over time.
  ○ GiveBig (Kat) - many people asked if we’re having a Drinks with Geeks. Maybe we can schedule another in July?
• StrengthFinder (Maddy) - use our individual and collective strengths in complementary pairings, as well as use this information to recruit people with strengths currently under-represented on the board.
• Review and approve form 990 for fiscal year 2016 - reviewed and found no red flags. File form as is.
